

VIVEK KAUSHIK

UI/UX & Front-End Developer | React.js | Next.js | WordPress
New Delhi, India 110096 | 9064757673 | vivekkaushik506@gmail.com

PROFESSIONAL SUMMARY

UI/UX and Front-End Developer with 9+ years of experience designing and building responsive, accessible, user-centric web applications for government, healthcare, travel, and e-commerce clients. Proficient in HTML5, CSS3, JavaScript, React.js, and WordPress, with hands-on experience translating Figma/Adobe XD wireframes into pixel-perfect, performance-optimized interfaces. Delivered 200+ production web products and consistently improved Google PageSpeed Insights scores, user engagement, and customer retention.

CORE SKILLS

Languages & Markup: HTML5, CSS3, JavaScript (ES6+)

Frameworks & Libraries: React.js, Next.js, Bootstrap

CMS & Page Builders: WordPress, Elementor Page Builder

Design Tools: Figma, Adobe XD, Photoshop

UX/UI Practices: Wireframing, Prototyping, Responsive Design, Accessibility, Usability Testing, Design Thinking

Other Tools: Git, Google PageSpeed Insights optimization

PROFESSIONAL EXPERIENCE

Software Developer (UI), Defence Research and Development Organisation (DRDO) Jul 2024 – June 2026

Contracted via LRS Services Pvt. Ltd.

- Design wireframes and mockups for government dashboard web applications, converting them into pixel-perfect, responsive interfaces using Bootstrap, WordPress, and Elementor.
- Recognized by DRDO for contributions to Design Thinking initiatives across the UI team.
- Collaborate with cross-functional stakeholders to deliver secure, accessible interfaces meeting government usability standards.

Software Developer (UI), Defence Research and Development Organisation (DRDO) Nov 2021 – Jun 2024

Contracted via Prakhar Softwares

- Delivered 200+ responsive web products across government, healthcare, travel, and e-commerce sectors over the engagement.
- Received formal appreciation for exceptional delivery on the Elysium Healthcare project.
- Built and maintained pixel-perfect, cross-browser UI components used across multiple dashboard applications.

UI / HTML Developer, Vibes Communication Pvt. Ltd.

Aug 2021 – Nov 2021

- Designed and developed responsive websites using Bootstrap, ensuring consistent rendering across devices and browsers.
- Optimized site performance to align with Google PageSpeed Insights standards, improving load-time benchmarks.

Associate Developer, Appycodes

Jul 2020 – Aug 2021

- Designed and developed responsive websites using WordPress and Elementor Page Builder for client projects.
- Built and maintained a component-based architecture in React.js, improving reusability and reducing front-end development time.
- Converted UI/UX designs, wireframes, and Figma mockups into pixel-perfect React components and web pages.

Web Designer, Technogleam Digital Solution LLP

Mar 2017 – Jun 2020

- Planned site architecture, navigation, and audience funnels for travel-sector clients, aligning designs with data-capture goals.
- Built wireframes and prototypes that were translated into functional, responsive digital products.

- Optimized websites against Google PageSpeed Insights standards to improve site performance and search visibility.

Web Designer, Cyber Help India

Oct 2016 – Feb 2017

- Reviewed UX/UI designs with team members, implementing edits to meet technical and business requirements.
- Owned composition, color, illustration, typography, and branding for travel-sector client projects.

KEY PROJECTS
